

Treasurer's Report  
Meeting – February 21, 2022

We did not have any income or expenses in January from our regular checking account so there is no Income/Expense Report for January.

We received Housing Fund donations of \$1,200 in January. I believe \$1,000 was a result of the MRVRE post card, and I let Erik Risner of MRVRE know. We had 2 other donations of \$100 each.

I am including what I am calling a 'Funds Report' which has a breakdown of balances in the accounts. Admin Funds and ADU Funds. Combined, they reconcile with statement balances.

I sent Kaziah her 1099 for 2021 on or about 1/19/22.

Discovered and set up a charitable donation program through Amazon Smile where 0.5% of purchases gets donated to MRV Housing Coalition. Amazon donates the \$, not the customer.

I signed up, so that is 1 person. I think we should promote it at some point. Monies paid out every 6 months I believe.

The site to sign up is [www.smile.amazon.com](http://www.smile.amazon.com).

Amazon does donations through GuideStar/Candid.org so I set up an account with them and filled out a profile so we can actually get any donations.

We have Silver status and with some financial data we can get Gold status. Will work on that. Gives more credibility I think.

The MRV hosted website has been copied, transferred and hosted at [www.MRVhousing.Weebly.com](http://www.MRVhousing.Weebly.com). I had purchased the domain [www.MRVhousing.org](http://www.MRVhousing.org) and pointed that site to the Weebly hosting site which is free. The one issue I am coming across is when using the public facing .ORG on a phone, there are sizing issues. Will continue to investigate.

I also had purchased the email address [info@MRVhousing.org](mailto:info@MRVhousing.org). That is the email address on the website. It currently forwards to me but I will forward it to Michelle once I re-test the forwarding.

I covered the cost of the domain and email as a trial run. If we like and wish to keep the website and email set up next year, then the MRVHC can take on the cost of renewal.
